

Table with 100 columns and 100 rows of numerical data. The table is organized into a grid with a header row and a header column. The data values are small integers ranging from 0 to 100. The table is divided into two main sections: '上段 浸水深(m)' (Upper section: water depth in meters) and '下段 [地盤高(T.R.M)]' (Lower section: [ground level (T.R.M)]). The grid is partially obscured by a large, semi-transparent watermark on the right side.
