

Table with 100 columns and 100 rows of numerical data. The table is organized into a grid with a header section on the right side. The header includes labels for '上段 浸水深(m)' (Upper section water depth in m) and '下段 地盤高(T.P.m)' (Lower section ground level in T.P.m). The data values are arranged in a regular pattern, likely representing a grid of measurements or coordinates.

凡例
上段 浸水深(m)
下段 地盤高(T.P.m)
