

Table with 100 columns and 100 rows of numerical data. The table is organized into a grid with a header row and a header column. The header row contains numbers 1 through 100. The header column contains numbers 1 through 100. The main body of the table contains numerical values, likely representing data points for a project or study. The values are arranged in a regular grid pattern, with each cell containing a single number. The numbers range from 1 to 100,000, with some cells containing larger numbers like 100,000. The table is divided into sections by a vertical line on the right side, with a label '凡例' (General Rules) at the top right. The label '上段: 浸水段(m)' (Upper section: Waterlogging section (m)) is located at the top right, and '下段: [地盤高(T.P.m)]' (Lower section: [Ground level (T.P.m)]) is located at the bottom right. The table is numbered '2.11 [12.61]' in the top right corner.
