

Table with 100 columns and 100 rows of numerical data. The table is organized into a grid with a header section on the right side. The header section includes a title '凡例' (General Rules) and two sub-sections: '上段: 浸水深(m)' (Upper Section: Water Depth in m) and '下段: [地盤高(T.P.m)]' (Lower Section: [Ground Level (T.P.m)]). The data cells contain numerical values, likely representing depth or elevation measurements. The table is divided into four quadrants by a central vertical and horizontal line.

凡例  
上段:  
浸水深(m)

下段:  
[地盤高(T.P.m)]
